# CLEAN SCIENCE

**Is biotech doing everything it can to reduce waste?**

**With all the sterile, one use products,  
can science ever be green and healthy?**

**Are you interested in creating clean science?**

Join the new Clean Science Listserv through the WBBA.  
Send an email to [imailserv@list.washbio.org](mailto:imailserv@list.washbio.org) and ask to  
subscribe to Clean Science!

*If you have questions, or would like to  
learn more, email Elizabeth Scallon at  
[EScallon@vlstcorp.com](mailto:EScallon@vlstcorp.com).*
